

# A Field Trip

Collect images, video, thoughts, & opinions. Use digital cameras, video cameras, & quotes from students. Share on your class web page or OOGEEP wiki at [http://geleerd.net/oogeeepwiki/OOGEEP:Community\\_Portal](http://geleerd.net/oogeeepwiki/OOGEEP:Community_Portal)

This is a (circle one) *virtual* or *real* field trip to see:

Location:

Date:

My name:

## Before the Field Trip

What do you expect to see? Include some details that would include the size, smell, sounds that you might anticipate. If you want, sketch your ideas here:

## During the Field Trip

What did you observe? Include the details including size of equipment, smells, sounds. You can also sketch your ideas here:

## After the Field Trip

What did you learn? New words or ideas? What surprised you?

**If I was sharing this experience on twitter, I would post....(less than 140 words!)**
